

The next generation of quality,
productivity, and security

HP Color LaserJet Managed E75245dn

Professional
colour printing

Minimal interruptions.
Maximum productivity.

The world's most
secure printing¹

Professional colour printing

Expect premium marketing materials and professional-quality documents with vivid colour images and graphics that stand out. The HP Color LaserJet Managed E75245dn is built for great colour performance with a toner formula designed for consistent quality and brilliant colour output.

Premium vivid colour prints

Print premium, professional-quality documents with vivid colour images and graphics that stand out.

Look professional on every page with vibrant, high-quality colour prints that stand the test of time and support for paper sizes up to 305 x 457 mm and SRA3. Using SRA3, this printer can produce stunning, full-bleed A3-size brochures and marketing materials.

Consistent quality toner

Create consistent quality and the performance you count on with Original HP Toner cartridges and drums with JetIntelligence, specially designed and precisely engineered for HP printers and MFPs.

Count on consistently vibrant, professional-quality results. Specially formulated HP ColorSphere 3 toner is precisely tuned to match the powerful performance of your HP printer. Get the most from your cartridge with page maximiser technology that manages efficient toner use and cartridge performance.

Speed through print jobs right out of the box. This device ships with preinstalled Original HP Color LaserJet Toner cartridges and drums with JetIntelligence. Auto seal removal enables simple and seamless installation of cartridge replacements, so you can get back to business fast—without costly delays or frustrating messes.

Need to print on the go? Submit your business documents simply and securely with HP Roam for Business and release at any HP Roam-enabled printer.²

Energy efficient

Help keep energy costs down without compromising performance. This printer has an energy saving sleep mode and fast time to sleep.

Save paper and conserve resources with automatic two-sided printing. Consume up to 50% less paper by printing on both sides of the page. The duplex print setting is set at default paper savings mode to help save paper right out of the box.³

HP voluntarily designs and tests its printing systems⁴ to prevent emissions that exceed eco-label (Blue Angel) standards and guidelines. Easily recycle your Original HP cartridges at no additional charge through HP Planet Partners.⁵

Minimal interruptions. Maximum uptime.

Annoying interruptions and complex maintenance can slow down printing, and ultimately, the pace of business. Avoid pauses in productivity with an HP Color LaserJet printer designed for maximum uptime—so you can count on reliable results day in and day out.

Move business forward

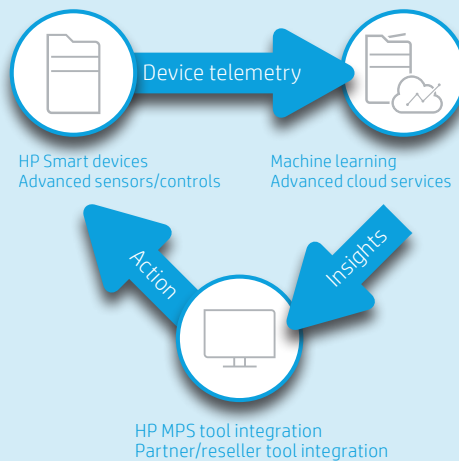

Grab the documents you need and go. This device wakes up quickly and prints fast—with a first page out as fast as 5.7 seconds⁶ and print speeds up to 46 pages per minute (ppm),⁷ your pages are ready right when you need them. Walk up and print from a memory device using the easy-access USB port.⁹

Help reduce cost per page (CPP) by preventing users from replacing long-life consumables too early—using the included locking kit, which locks down the drums and ITB. Managed Cartridges also help reduce CPP with their increased yield. Both the toner and drum are easily accessible, come pre-installed in the printer, and can be changed in seconds.

Maximise uptime

HP Smart Device Services (SDS) help keep business moving by avoiding lapses in productivity. Reduce time spent calling and waiting, with technology that allows your service provider to quickly pinpoint issues before they become a problem. Remote diagnostic tools help provide faster, more efficient fixes. Simple issues can be resolved remotely, and service calls go faster when techs know exactly what they need for the right fix.

HP devices communicate their health and call your service provider for help when they need it. Empower advanced analytics with smart sensors, event logs, device telemetry, and access for remote configurations and adjustments that let your service provider know how devices are working.

Expand your capacity

Tailor this printer to the needs of your business with a wide range of optional paper-handling accessories. Most optional trays support media sizes up to A3. Print up to 4,450 pages without reloading paper, using the optional 2,700-sheet high-capacity input (HCI) tray and the optional 2x550-sheet paper tray.⁹ Or choose the optional stand to store paper and supplies.

Paper guide locks ensure proper placement of correct media size by preventing the user from adjusting paper trays incorrectly—helping to prevent paper jams and avoid waste.

The world's most secure printing¹

HP printers have the industry's strongest security¹ because they're always on guard, continually detecting and stopping threats while adapting to new ones. And only HP printers automatically self-heal from attacks, so IT doesn't need to intervene.

Always on guard

Only HP Enterprise devices offer built-in security features that are always on guard.¹

- With HP Sure Start, each device regularly checks its operating code and repairs itself from attempted hacks.
- Whitelisting checks firmware during startup to help ensure it's authentic, good code—digitally signed by HP.
- Run-time intrusion detection continually monitors activity to detect and stop attacks, then automatically reboots.
- HP Connection Inspector inspects outgoing network connections to stop suspicious requests like malware.

Thwart potential attacks by receiving instant notification of security issues, so immediate action can be taken. This device works with tools like Splunk, ArcSight, McAfee, and SIEMonster.

Take security to the next level

Help protect your printer with more than 200 embedded security features.¹⁰ Protect information in transit over the network and stored on the device—keys, passwords, certificates, and more. Store data on the 256-bit encrypted HP High-Performance Secure Hard Disk.¹¹

Easily deploy and integrate HP and third-party solutions with the HP Open Extensibility Platform (OXP). Enter a PIN or password at the device to retrieve your print job and add features such as optional proximity card readers and more through the Hardware Integration Pocket (HIP).¹² Further safeguard data stored on the device, using the standard HP Trusted Platform Module.¹³

Build business efficiency

Centralise control of your printing environment with HP Web Jetadmin—and help build business efficiency.¹⁴ Optional HP JetAdvantage Security Manager offers an effective, policy-based approach to help secure HP printing and imaging devices.¹⁵ Easily set security configuration policies and automatically validate settings for every HP printer and MFP in your fleet.

HP JetAdvantage Secure Print¹⁶ and HP Access Control (HPAC) help secure documents by requiring authentication to release print jobs. In addition, extend capabilities and easily customise with HPAC—integrate job accounting, manage rights, and establish quotas for things such as colour use.¹⁷ Save IT time and make printing easy for the entire enterprise by using a single driver for all HP devices.¹⁸

HP Color LaserJet Managed E75245dn – Configuration

Paper-handling accessories

The HP Color LaserJet Managed E75245dn comes standard with the following input trays: 100-sheet multipurpose tray that supports media sizes up to 305 x 457 mm and SRA3 and a 550-sheet tray 2 that supports media sizes up to A3. The HP Color LaserJet Managed E75245dn may be configured with optional input accessories as described in the table below. To reach the maximum input capacity, the addition of two 550-sheet trays (T3V27A) and the 2,700-sheet HCI and stand (T3V30A) must be added to the base model.⁹

Other optional accessories are included in the Ordering information on page 11.

HP LaserJet 550-sheet Paper Tray (T3V27A)

HP LaserJet Stand (T3V28A)

HP LaserJet 2x550-sheet Paper Tray and Stand (T3V29A)

HP LaserJet 2,700-sheet High-Capacity Input Tray and Stand (T3V30A)

Optional accessory ⁹	Add up to two	Add up to one optional stand		
Maximum input capacity with accessory ⁹	1,200 sheets (with one tray) 1,750 sheets (with two trays)	N/A	1,750 sheets 2,300 sheets (Tray and stand plus additional 550-sheet tray) 2,850 sheets (Tray and stand plus two additional 550-sheet trays)	3,350 sheets 3,900 sheets (HCI plus additional 550-sheet tray) 4,450 sheets (HCI plus two additional 550-sheet trays)

Technical specifications

HP Color LaserJet Managed E75245dn	
Product number	T3U64A
Control panel /data entry	6.9 cm (2.7-inch) colour graphic display with 24-key pad; easy-access USB; ⁸ 2 nd -generation Hardware Integration Pocket ¹²
Print speed (A4/letter, black and colour)⁷	Up to 46/45 ppm
First page out (A4 and letter)	From ready: ⁷ as fast as 5.7/6.1 seconds, black/colour From sleep: ²³ as fast as 11.5 seconds, black and colour
Print resolution	Up to 1200 x 1200 dpi
Printing features	Print preview, duplex printing, print multiple pages per sheet (2, 4, 6, 9, 16), collation, watermarks, store print jobs, easy-access USB ⁸
Two-sided printing	Automatic
Processor	1.2 GHz
Memory²⁴	1.5 GB/3.5 GB (standard/maximum)
Storage	Standard:16 GB eMMC Optional: HP High-Performance Secure Hard Disk ¹¹
Durability ratings	
RMPV ²⁵	Up to 40,000 pages
Duty cycle ²⁶	Up to 150,000 pages
Media specifications	
Input capacity	Up to 650 sheets, standard; up to 4,450 sheets, maximum 100-sheet multipurpose Tray 1: Up to 100 sheets 550-sheet input Tray 2: Up to 550 sheets Optional 1x550 tray: Up to 550 sheets Optional 2x550 tray and stand: Up to 1,100 sheets Optional 2700-sheet HCl paper tray and stand: Up to 2,700 sheets
Output capacity	250-sheet
Media sizes	100-sheet multipurpose Tray 1: A3, A4, A4-R, A5, A6, RA3, SRA3, RA4, SRA4, B4 (JIS), B5 (JIS), B6 (JIS), Oficio 216x340, 8K (270 x 390), 8K (260 x 368), 8K (273 x 394), 16K (195 x 270), 16K (184 x 260), 16K (197 x 273), Postcard (JIS), Dpostcard (JIS), Envelopes (B5, C5, C6, DL); Statement, 3 x 5 index card, 4 x 6 index card, 5 x 7 index card, 5 x 8 index card, letter, letter-R, legal, executive, 11 x 17 in, 8.5 x 13 in, 12 x 18 in, Envelopes (#9, #10, Monarch); Custom media sizes: 64 x 127 mm to 320 x 457.2 mm; 2.5 x 5 in to 12.6 x 18 in 550-sheet input Tray 2: A3, A4, A4-R, A5, RA4, SRA4, B4 (JIS), B5 (JIS), Oficio 216x340, 8K (270 x 390), 8K (260 x 368), 8K (273 x 394), 16K (195 x 270), 16K (184 x 260), 16K (197 x 273), Dpostcard (JIS); Letter, letter-R, legal, executive, 8.5 x 13 in, 11 x 17 in; Custom media sizes: 148 x 148 mm to 297 x 431.8 mm; 5.8 x 5.8 in to 11.7 x 17 in Optional 1x550 and 2x550 tray and stand: A3, A4, A4-R, A5, RA3, SRA3, RA4, SRA4, B4 (JIS), B5 (JIS), Oficio 216x340, 8K (270 x 390), 8K (260 x 368), 8K (273 x 394), 16K (195 x 270), 16K (184 x 260), 16K (197 x 273), Dpostcard (JIS); Letter, letter-R, legal, executive, 8.5 x 13 in, 11 x 17 in, 12 x 18 in; Custom media sizes: 148 x 148 mm to 320 x 457.2 mm; 5.8 x 5.8 in to 12.6 x 18 in Optional 2700-sheet HCl paper tray and stand: A4; Letter; Custom media sizes: 279.4 x 210 mm to 297 x 215.9; 11 x 8.27 in to 11.7 x 8.5 in Duplex: A3, A4, A4R, A5, RA3, SRA3, RA4, SRA4, B4 (JIS), B5 (JIS), Oficio (216x340), 8K (270 x 390), 8K (260 x 368), 8K (273 x 394), 16K (195 x 270), 16K (184 x 260), 16K (197 x 273), Dpostcard (JIS); Letter, letter R, legal, executive, 8.5 x 13 in, 11 x 17 in, 12 x 18 in
Media weights	100-sheet multipurpose Tray 1: 60 to 300 g/m ² (plain papers), up to 220 g/m ² (glossy/coated);16 to 80 lb 550-sheet input Tray 2: 60 to 256 g/m ² (plain papers), up to 220 g/m ² (glossy/coated);16 to 68 lb Optional 1x550 and 2x550 tray and stand: 60 to 256 g/m ² ; 16 to 68 lb Optional 2700-sheet HCl paper tray and stand: 60 to 256 g/m ² ; 16 to 68 lb Duplex: 60 to 163 g/m ² ; 16 to 43 lb
Media types	Paper (plain, heavy, extra heavy, glossy, light, recycle, tough, HP ECOfficient), envelopes, labels, glossy film, cardstock, transparencies
Print languages	HP PCL 6, HP PCL 5 (HP PCL 5 driver available from the Web only), HP postscript level 3 emulation, native PDF printing (v 1.7), Apple AirPrint, ²⁷ Google Cloud Print™
Fonts and typefaces	105 internal TrueType fonts scalable in HP PCL, 92 internal scalable fonts in HP Postscript level 3 emulation (Euro symbol built-in); 1 internal Unicode Fonts (Andale Mono WorldType); 2 Internal Windows Vista® 8 Fonts (Calibri, Cambria); additional font solutions available via third-party flash memory cards; HP LaserJet Fonts and IPDS Emulation available at hp.com/go/laserjetfonts
Connectivity	2 Hi-Speed USB 2.0 Host; Hi-Speed USB 2.0 device; Gigabit Ethernet 10/100/1000Base-TX network; 2 nd -generation Hardware Integration Pocket ¹²

HP Color LaserJet Managed E75245dn

Mobile printing capability	Standard: Apple AirPrint, ²⁷ HP ePrint, ²⁸ Mopria-certified, HP Roam capable for easy printing, ² Google Cloud Print Optional: wireless direct printing, ²⁹ NFC touch-to-print ²²
Network capabilities	Standard: Built-in Gigabit 10/100/1000Base-TX Ethernet Optional: Wireless networking ²¹
Network protocols	IPv4/IPv6: Apple Bonjour Compatible (Mac OS 10.2.4 or higher), SNMPv1/v2c/v3, HTTP, HTTPS, FTP, TFTP, Port 9100, LPD, WS Discovery, IPP, Secure-IPP, IPsec/Firewall; IPv6: DHCPv6, MLDv1, ICMPv6; IPv4: Auto-IP, SLP, Telnet, IGMPv2, BOOTP/DHCP, WINS, IP Direct Mode, WS Print
Security management	SNMPv3, SSL/TLS, WPA2-Enterprise, 802.1X authentication (EAP-PEAP, EAP-TLS), IPP over TLS, IPsec/Firewall with Certificate, Pre-Shared Key Authentication, and Kerberos Authentication; Support for HP Web Jetadmin 10; ¹⁴ IPsec Configuration using IPsec Plug-in
Printer management	HP Device Toolbox, HP JetAdvantage Security Manager, ¹⁵ HP Printer Assistant, HP Web Jetadmin ¹⁴ software, HP SNMP Proxy Agent, HP WS Pro Proxy Agent, Printer Administrator Resource Kit for HP Universal Print Driver ¹⁸ (Driver Configuration Utility and Driver Deployment Utility, Managed Printing Administrator)

- ¹ Based on HP review of 2019 published security features of competitive in-class printers. Only HP offers a combination of security features that can monitor to detect and automatically stop an attack then self-validate software integrity in a reboot. For a list of printers, visit: hp.com/go/PrintersThatProtect. For more information, visit: hp.com/go/printersecurityclaims.
- ² Subscription or accessory may be required. For more information, visit hp.com/go/roam. To enable HP Roam, some devices may require firmware to be upgraded and an optional accessory to add Bluetooth® Low Energy (BLE) beaconing capabilities. Customer can purchase the HP Jetdirect 3100w BLE/NFC/Wireless accessory or the RadBeacon USB.
- ³ All new product introductions beginning in Fall 2019 will include consistent worldwide default duplex settings (across bundles/drivers); Spring 2019 will include consistent worldwide default duplex settings for most products across the most common driver.
- ⁴ A printing system consists of HP printer, paper and toner cartridge.
- ⁵ Programme availability varies. For more information, visit hp.com/recycle.
- ⁶ Measured using ISO/IEC 17629. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- ⁷ Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- ⁸ An administrator must enable the easy-access USB port before use.
- ⁹ Add up to two optional 550-sheet paper trays (T3V27A) in addition to up to one stand or tray and stand (T3V28A, T3V29A, or T3V30A). Selection of optional paper-handling accessories required to reach maximum input capacity.
- ¹⁰ Some features require additional purchase. A FutureSmart service pack update may be required to activate security features. Learn more at hp.com/go/printsecurity.
- ¹¹ Optional HP High-Performance Secure Hard Disk (B5L29A) (FIPS 140-2 validated hard disk) can be added to the HP Color LaserJet Managed E75245dn.
- ¹² Solutions deployed through the Hardware Integration Pocket (HIP) may require additional purchase. The HP Color LaserJet Managed E75245dn comes with a second-generation HIP.
- ¹³ Use of the standard HP Trusted Platform Module accessory may require a firmware upgrade.
- ¹⁴ HP Web Jetadmin is available for download at no additional charge at hp.com/go/wja.
- ¹⁵ HP JetAdvantage Security Manager must be purchased separately. For details, see hp.com/go/securitymanager.
- ¹⁶ HP JetAdvantage Secure Print works with any network-connected printer or MFP. On-device authentication is available for many HP LaserJet, PageWide, and OfficeJet Pro devices and selected non-HP devices. Some devices may require a firmware upgrade. Internet connection required for cloud storage and retrieval of print jobs. Print-job release from a mobile device requires a network connection and QR code. For more information and a list of supported printers and MFPs, see hp.com/go/JetAdvantageSecurePrint.
- ¹⁷ Colour access control capabilities vary from device to device.
- ¹⁸ The HP Universal Print Driver is available for download at no additional charge at hp.com/go/upd.
- ¹⁹ Recommended Monthly Page Volume (RMPV): HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- ²⁰ Average black and colour composite (C/M/Y) declared yields based on ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details, see hp.com/go/learnaboutsupplies.
- ²¹ The E75245dn can add wireless networking with selection of the optional HP Jetdirect 2900nw Print Server (J8031A). If selected, you cannot also select the HP Jetdirect 3100w BLE/NFC/Wireless Accessory (3JN69A). Wireless performance is dependent on physical environment and distance from access point and may be limited during active VPN connections.
- ²² Bluetooth® and touch-to-print capabilities are optional and can be added to the E75245dn by selecting the optional HP Jetdirect 3100w BLE/NFC/Wireless Accessory (3JN69A). If selected, you cannot also select the HP Jetdirect 2900nw Print Server (J8031A). Mobile device must support Near-Field Communication (NFC)-enabled printing. For more information, see hp.com/go/businessmobileprinting.
- ²³ Measured after 15 minutes in sleep. Exact speed varies depending on the system configuration, software application, driver, document complexity, and time in sleep.
- ²⁴ To achieve maximum memory, purchase a DIMM accessory. A firmware update may be required for configuration page to accurately reflect the accessory DIMM is installed.
- ²⁵ Recommended Monthly Page Volume (RMPV): HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- ²⁶ Duty cycle is defined as the maximum number of pages per month of imaged output. HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- ²⁷ Supports the following devices running iOS 4.2 or later: iPad, iPad 2, iPhone (3GS or later), iPod touch (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent on physical environment and distance from the access point.
- ²⁸ Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Learn more at hp.com/go/mobileprinting.
- ²⁹ Wireless operations are compatible with 2.4 GHz operations only. Learn more at hp.com/go/mobileprinting.
- ³⁰ Full solution software available only for Windows® 7 and newer, UPD software available only for Windows 7 and newer, HP Software for Mac and Windows is no longer included on the CD, but can be downloaded from 123.hp.com, Legacy Windows Operating Systems (XP, Vista, and equivalent servers) get print and scan drivers only with a reduced feature set, Windows RT OS for Tablets (32- and 64-bit) uses a simplified HP print driver built into the RT OS.
- ³¹ Maximum dimensions of the device are measured by the standard configuration with all paper trays open.
- ³² Acoustic values are subject to change. For current information see hp.com/support. Configuration tested: base model, simplex printing, A4 paper at an average of 41 ppm.
- ³³ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption values typically based on measurement of 115V device.
- ³⁴ HP Auto-On/Auto-Off Technology capabilities are subject to printer and settings.
- ³⁵ EPEAT® registered where applicable. EPEAT registration varies by country. See epeat.net for registration status by country.
